# webshop discount

**PARTNER ACCOUNT**

Configure your life

Plug-in hybrid or pure electric cars have more than doubled their market share nearing 10% in Europe in 2020, despite the harsh impacts of Covid on the economy and our daily lives.

Is your organization ready for this massive switch to electric mobility?  
Do you have the right products to offer to your customer?

To provide you with the best and most affordable charging equipment, we introduce our Enterprise Webshop Discount program.

 [cablesolutions.shop](https://cablesolutions.shop)

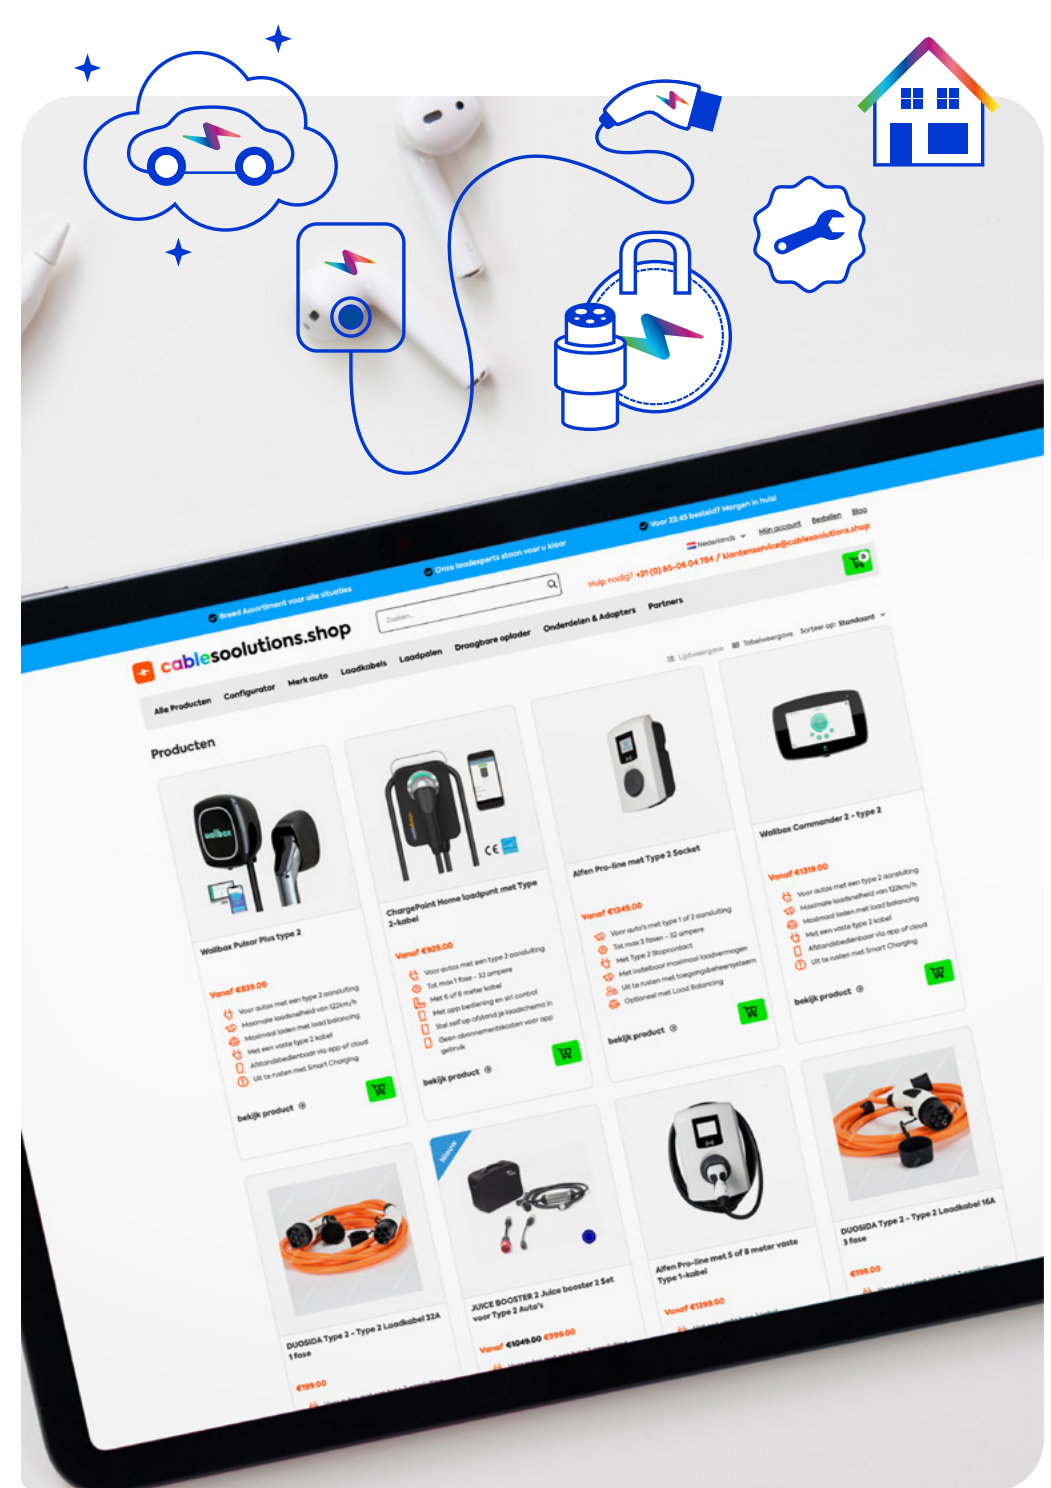

# How can our Enterprise Webshop Discount help you?

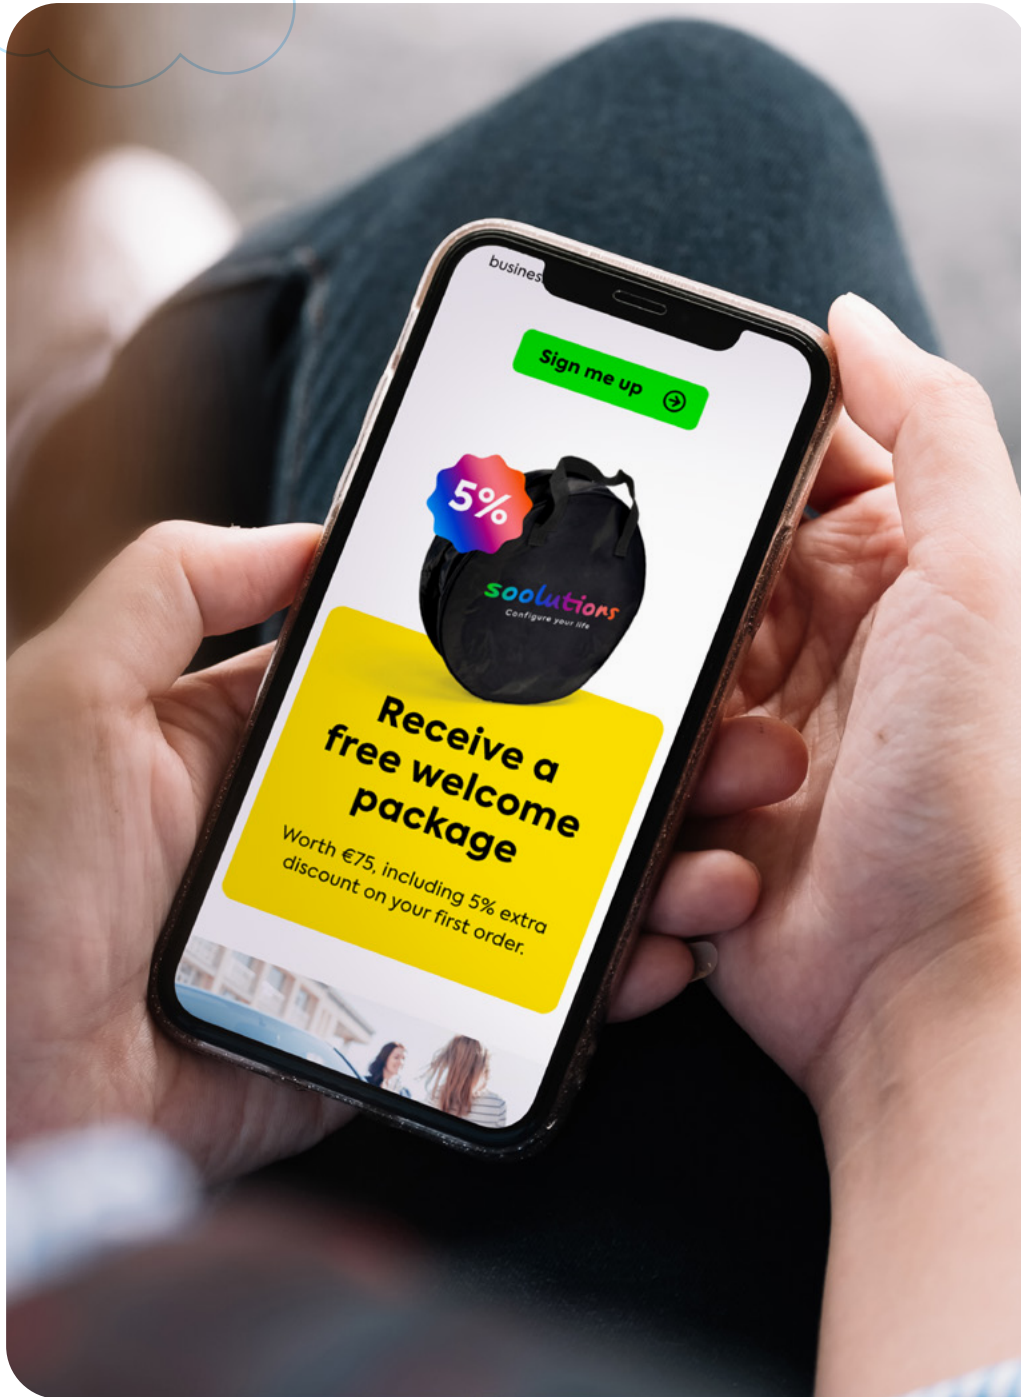

## For your organization

- ➔ **Fleet management:** Is your organization's fleet being converted to electric? Our one-stop shop will provide you with all the charging equipment your fleet needs to ensure all vehicles are at ready to go at any time.
- ➔ **Facilities management:** Offer the right EV services to your employees or visiting customers that park on your premises.
- ➔ **Development and maintenance:** Find all the parts and components you need to build and maintain your own charging infrastructure and services.

## For your customers

- ➔ **Cardealers, lease companies, utilities:** Provide your EV customers with the most fit for purpose charging equipment and brandable accessories.
- ➔ **Electricians:** Find the right parts and components for every installation job. From cables to breaker and for homes and businesses.
